Legality of Products

SilverHorse Racing Products have been designed for "off-highway" applications only. In addition, installation of some SilverHorse Racing Products on a vehicle may adversely affect the warranty coverage of that vehicle. SilverHorse Racing makes no representation as to the legality of any Products in various states or provinces. The Purchaser accepts all responsibility for the final use of the Products Purchased and shall hold SilverHorse Racing harmless in any legal proceeding arising from the use of such Products.

Product Warranty

Products offered by SilverHorse Racing are intended for "off-highway" competitive, performance, or show use only, and are sold with no warranty of any kind. Implied warranties, including warranties of merchantability or fitness for any particular application, are excluded. It is the Purchaser's responsibility to determine the suitability of SilverHorse Racing Products for their application. The entire risk as related to quality and performance of SilverHorse Racing Products is with the Purchaser. The Purchaser and NOT SilverHorse Racing, LLC, assumes any and all risks arising out of or in connection with the use of SilverHorse Racing Products, including, without limitation, the risks of death, paralysis or any bodily injury, disability and/or loss or property damage wheresoever and howsoever caused including but not limited to, defects, normal wear or negligence, lack of maintenance, accident, abnormal operation, or improper installation or service, collision between a vehicle and another vehicle, person or stationary object, skidding, overturning, sudden stops, braking or acceleration, any "Act of God", fire or explosion; or the negligent or deliberate act of another person. THESE DAMAGES INCLUDE, BUT ARE NOT LIMITED TO, LOST PROFITS AND BUSINESS INTERRUPTION, WHETHER IN CONTRACT OR IN TORT, INCLUDING NEGLIGENCE, ARISING IN ANY WAY FROM ANY PRODUCT PROVIDED BY SILVERHORSE RACING. EVEN IF SILVERHORSE RACING IS EXPRESSLY ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Indemnification

Purchaser agrees to defend, indemnify, and hold harmless SilverHorse Racing from and against all claims, losses, damages, liabilities, and costs (including but not limited to reasonable attorneys' fees and court costs), arising out of or relating to the Purchase of any SilverHorse Racing Product.

Legal Implications / OEM Warranty Implications

Because U.S., Canadian, state or provincial laws and regulation may prohibit removal or modification of components that were installed by the Original Equipment Manufacturer's (OEM's) to meet emission requirements or to comply with motor vehicle safety regulations applicable to vehicles manufactured for use on public roads, vehicles equipped with SilverHorse Racing products are not to be operated on public roads, and offers such Products for "off-highway" competitive, performance, or show use only. SILVERHORSE RACING PRODUCTS ARE INTENDED FOR "OFF-HIGHWAY" APPLICATION ONLY. Installation of some products on a vehicle intended for use on public roads may violate U.S., Canadian, state or provincial laws and regulations including those relating to emission requirements and motor vehicle safety standards. In California certain Products may legally be used on a racing vehicle which will never be operated on public roads. In addition, installation of SilverHorse Racing Products may adversely affect the warranty coverage on the Purchaser's vehicle. Other local, state, provincial, territorial, or international laws may apply to the use of these Products. Please check your local laws before Purchasing SilverHorse Racing Products.

SilverHorse Racing makes no representation as to the legality of any Products in various states or provinces except where noted. The Purchaser accepts all responsibility for the final use of SilverHorse Racing Products and shall hold SilverHorse Racing harmless in any legal proceeding arising from the use of such Products. Adherence to federal, state and local laws is the sole responsibility of the Purchaser. SilverHorse Racing assumes no responsibility for any voided OEM warranties.
